**\*Discussions:** Discussions among speaker and conference participants are the highlight of the conference and open to all registered participants. Limited registration makes these possible.

**\*\*Students Only:** This is a session reserved for students only, which provides an opportunity for students to engage the speaker without the pressure of the larger session.

**Lectures:** Lectures on Friday evening and Saturday morning are open to the public. The Sunday morning lecture is for registered participants.

**Meals/fellowship/networking:** Time for fellowship, networking, and more concentrated discussions is provided by meals together and the Saturday evening open discussion after the meal at Miller's. Topics for the dialog often begin in these settings. These are open to registered participants.
